Light Term of Court.

All indications point to the fact that All indications point to the fact that the approaching term of the court of general sessions which convenes December 2nd, will be a light one and will engage the attention of the judge and purers for only a few days. There are few prisoners in jail and the number of defendants on bond is small.

Missing in Action.

Mr. Walter Hudson, who lives at the Neely Mill Yorkville has been notified by the war department at Washington, that his brother Miles Hudson, a member of the 11sth Infantry, 30th Division is reported as missing in action. Private Hudson went overseas with the Thirtieth Division from Camp Sever in April and during the past several months has seen some of the hardest fighting of the war. While relatives here are very much worried, there is a reason to hope that the young soldier may have been only shightly wounded and is now recuperating in an Alhed hospital.
